Industrial Supply

WE KNOW THE BUSINESS

Industrial Supply's veteran staff has been serving the industrial supply channel and building relationships and mutual trust for two decades. Distributors, reps, and manufacturers know they can count on us for information that can have immediate impact in their businesses in these ever-changing times.

Our writers — with longstanding relationships with ISA, NAHAD, PTDA, STAFDA, industry buying and marketing groups, and consultants — provide the most timely, relevant, and valuable information in the channel for our readers.

WE KNOW THE PLAYERS

Industrial Supply and its sister magazine, **Contractor Supply**, have the supply channel covered. Whether your products and services are destined to end up in products or in the plants that manufacture them, our magazines and digital products will get you in the door and into decision-makers' hands.

■ **Industrial Supply** reaches industrial distributors and independent manufacturer reps in the United States with . . .

12,668 print subscribers
10,299 digital subscribers

■ **Contractor Supply** reaches construction equipment, tool and supply distributors, manufacturers and rep agencies with . . .

17,931 print subscribers
6,215 digital subscribers

Need to reach both markets? Combine them and earn volume discounts.

WE OWN THE RELATIONSHIPS

We publish the member directory for the **Specialty Tools & Fasteners Distributors Association (STAFDA)**.

Our longstanding relationship with this leading distributor association demonstrates STAFDA's trust in our ability to produce products to the highest standards of quality and integrity. You can trust us to do the same for you.

No other media group in our industry can match this claim.

ACCEPT NO SUBSTITUTES

Kim Phelan, Patricia Wolf, and Chris McClimon have many decades of combined experience serving the construction and industrial supply markets.

- We are the industry's most recognized and respected professionals.
- Our contributing writers, consultants, and advertisers are the best of the best.
- Industry professionals rely on us for honest, focused content they can use to build sales, profitability, and competitive advantage in their local markets.
- As an advertiser, your message in **Industrial Supply** or **Contractor Supply** gives you the prestige and credibility of appearing in the most trusted and respected magazines in the industry, bar none. Whether your company is 1, 10 or 100 years old, our deep industry experience will work for you in ways no other publishers can approach.

ADD IT UP

When you add it all up — the industry respect, reputation, caliber of staff, market coverage, our print and online media platforms and, finally, the support and endorsements of the most powerful associations in our industry — your choice is clear.

Make **Industrial Supply** and **Contractor Supply** magazines your media of choice and distributors will make you their supplier of choice.

Our circulation is second to none:

Industrial Supply reaches 12,668+ distributors of MRO supplies, hand and power tools, cutting tools and abrasives, power transmission/motion control, safety products, hose & accessories, fluid power and more.

» REACH

The most powerful groups in the industry trust us to produce their directories. Your advertising message in **Industrial Supply** aligns you with that power and your company gains prestige and credibility in the market.

» INFLUENCE

Distributors buy from companies they know and trust. Advertising signals your stability to buyers and helps you and your distributor partners gain market share. When they buy, they will buy from you.

» SELL

» FOCUSED FEATURES

Content is king! — Our cover stories profile how distribution decision-makers deal with critical business issues facing all distributors today. **Industrial Supply** stories examine issues such as:

- Adopting and embracing new technologies
- Effective use of marketing/buying groups
- Designing a more productive warehouse
- Structuring M&A deals and family business succession
- Strategies for building secure supply chains
- Expanding into new markets and product categories

And more.

DIGITAL EDITION

We produce a digital edition to complement all six print editions of the magazine. That means – at no extra cost – you get additional exposure for your print ads whenever readers access the digital edition online.

CORPORATE PROFILES

Our July/August **Corporate Profiles issue** gives every full-page advertiser a **FREE** bonus page to deliver the message of its choosing in a clean, crisp format. Buy one full-page ad at your regular earned rate and then supply us with a profile of your company, its products and services, and customer benefits. Contact your ad sales representative for details.

TOP 50 DISTRIBUTOR LIST

In conjunction with Modern Distribution Management, we feature the nation's top industrial distributors in our annual **Top 50 Distributor List** in **Industrial Supply's** September/October issue. It's a must-read issue for distribution executives.

NEW PRODUCT EXPOSURE

Product news — Customers always look for new products that can help their businesses cut costs or improve processes. That's why every issue of **Industrial Supply** features the latest new products from advertisers.

Readers count on us to keep them informed about the new products they can show their customers.

MARKETING OPTIONS

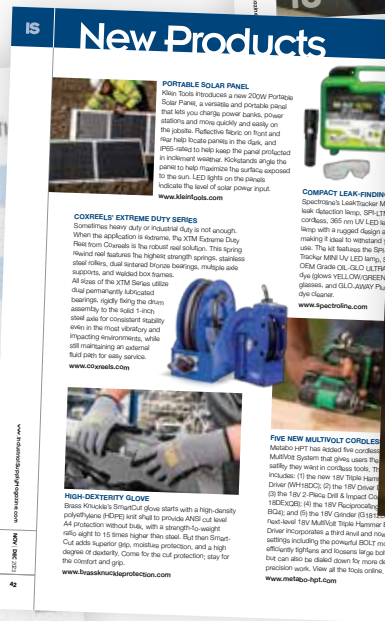

Direct Business Media LLC offers a variety of value-added marketing options to enhance the impact of your primary marketing programs: bound and ride-along inserts, false covers and belly bands, advertorials, sponsored webinars, copywriting, graphic design, digital surveys, direct mail, email blast creation and execution, and list management — to name just a few.

Whatever you can dream up, we can make happen. Plus, our market breadth means that whether you want to reach industrial and construction distributors or rep agencies, we've got you covered.

» 2026 EDITORIAL CALENDAR

Industrial Supply brings you the credibility of a nationally-respected sales and editorial team and the prestige of a new, exciting, and fresh approach to trade publishing and e-newsletters. We deliver your product and service messages straight into the hands of distributor buyers, sales managers, executives, as well as their inside and outside sales pros who serve the all-important industrial/MRO market.

PRESENT YOUR BUSINESS TO OUR READERS IN A FEATURE FORMAT

Our Annual July/August Corporate Profiles issue gives every full-page advertiser a **FREE bonus page** to deliver the message of its choosing in a clean, crisp format.

THAT'S RIGHT. A FREE PAGE!

Just buy one full-page ad at your regular earned rate and then supply us with a profile of your company, its products and services, and customer benefits.

In order to take advantage of the opportunity to run a FREE profile, you need to simply supply a press-optimized PDF with all graphics and fonts embedded (postscript fonts only). No RGB images should be used. We will accept two single full pages or a two-page spread. Follow our standard ad specs when creating your profile. (Note: please see the Design Recommendations section of our specs for additional two-page spread rules).

Companies taking advantage of this special offer typically include a headline, a company profile, a logo, photos, and company contact information in their free profile page.

At our discretion we will add a page header, "Advertisement," to distinguish your profile from the rest of the magazine's editorial.

DEADLINES

Insertion orders for both your full-page ad and your Corporate Profile must arrive by **May 29, 2026** to your Direct Business Media sales representative.

Corporate Profile **materials and ad** must arrive by **June 8, 2026**.

» MECHANICAL REQUIREMENTS

A. SWOP STANDARDS APPLY

(Specifications for Web Offset Publications)

B. PREFERRED MATERIALS

Digital file complete with layout, fonts and supporting graphics files in a hi-res PDF format.

C. PDF FILES

PDF files are encouraged and should be created with the following specifications.

1. All fonts should be embedded.
2. Convert all spot colors to CMYK. No RGB or lab images should be used; make sure all images are 300 dpi CMYK.
3. **Density of tones 300% or less.** Densities higher have potential of blistering on press causing additional charges for downtime.
4. A rich black color should be used to avoid a washed-out appearance whenever large lettering, graphics, boxes or backgrounds are to print as black (*small text should remain 100% black to avoid registration issues on press*). **A rich black should also be used if the color overlaps any other graphic element to avoid ghosting of the overlap.** Use values of 40C/40M/30Y/100K to create a rich black.
5. **Full page ads must be provided with 1/8" (0.125") bleeds on all 4 sides.** Bleed size is 8.625" x 11.125" and the ad will be trimmed to 8.375" x 10.875."
6. Zip compression with down sampling set no less than 300 dpi.
7. Color management set to "none."
8. The "press" preset in the standard Acrobat will usually create an acceptable PDF for both Macintosh or PC.
9. After creating a PDF, **view the file with "Overprint Preview" to verify actual output.**

D. NATIVE FILES

1. Macintosh- and Windows-based files are usable. **High-resolution files placed by the customer must have all color corrections/alterations done prior to releasing the digital file to Direct Business Media LLC.**
2. All images need to be saved in CMYK mode. EPS or TIFF files are preferred. Do not compress images using JPEG or LZW.
3. Provide all supports related to the digital file (i.e., entire font families, hi-res images and logos). Any third party extension (i.e., Pasteboard) must accompany digital files. We cannot accept native Corel, Microsoft Publisher or PowerPoint files. These programs are not compatible with high-resolution output equipment. If you create files using one of these programs, please recreate in a program listed above, convert the file to a print-ready PDF.

E. DESIGN RECOMMENDATIONS

1. Spread copy should be laid out to avoid reading matter or any important part of an illustration running into the gutter. Please do not break type on gutter.
2. In preparing copy, restrict thin lines and small lettering to one color. Reproduce all reverse lettering with a minimum of colors. Avoid small letters with fine serifs when using reverse lettering.
